How the endorsements in terms of the Darwar Talukdar's order mentioned on page 28 of this note, was issued to Hanmi Jagannadhan, informing him that, as all the villages of the matter were under attachment and under the management of Government, nothing could be done about this serious petition for the present—

The Dy. Commrs of the Bangalore and Mysore Districts were at the same time asked to report how the produce of the piece of land in the following villages in the Doddaballapur Taluk, and of the village in the Chikkaballi village in the Kunigal Taluk (both reported to in the Government order of 1903) which had

have been taken in exchange by the
matt, were being utilized and
by whom; and whether the same
was taken possession of by the
Authorities, on receipt of the Govt-
order; and whether any Enquiries
in the matter of Harbansipur were
being performed with the produce
of the lands in question - No reply
has yet been received from either
of them -

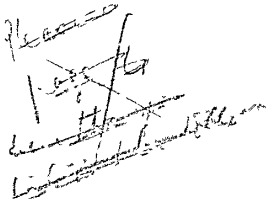
Hanmi Jagannadhachar

No 3703
Dated 26-2-1

has again presented a petition to
this Office
producing some fresh documents
in support of his claim and has
also given a statement before
the enquiry Secretary - From the
documents now produced and the statement personally given
by him
it is observed as follows: —

(i) that the village of Ennur
Slips - gramadevatha was enjoined
J & K as known by Devan Ennaiyar
in the year Rowdri (105 years
ago) for services at the
Brindavanam of the Sakya
varaswamigalu at Sankisan
at the special request of
the deceased Swami's disciple
Sri Sakya Dharma-swamigalu

Slip K (ii) that the village in question
was subsequently given by Sri Sakya Dharma
Swamigalu to Hanumi
Swamiragalwar in the
(1[illegible]-[illegible])
year Rakshasi (101 years
ago) on the condition
of his performing Abishek
Alankaram, Puja &c to the
Sri Sakyavaraswamis



Brindavana at Sankaridurg

(iii) that the above grant

by ~~the~~ Sri Sahya Dharmaswamigalu

in the year Rudhirodgari (1234-35) (732 years ago)

was ratified by his ~~the~~ successor

Sri Sahyasankalpa Swamigalavaru

who gave an Agraharika on the

subject to Hanni Sankranthi ⊛ Dasara to

and (iv) that Sri Sahyakara of Hanni Swamiyar

Sarvadhari Swapnadanagalavaru

made some arrangements in the Sikara.

year Raktakshi (1845-46) (about 422 years

ago), by which the right of Hanni

Krishnachar ⊛ (the present holder's Swadesa

father) to enjoy the ~~total~~ whole village of Hanni

of Sannayyanahalli on condition the Swamiyar-

of performing some stipulated

services at the Brindavana at-

Sankaridurg, was recognized

in hereditary succession —

This arrangement is said to be still in force -

As regards the inadequate exchange pointed out in the Government order of 1903, it is observed as follows from the document executed by the Sakyakumara Swamiji Trust - Vandavasi in the year Rakshasa -

It seems that, prior to the recognition of Hanumi Krishna - Chari's right to enjoy the whole village of Ramagondanahalli as Swamiji Inam as pointed out a piece of above, lands valued at 46 Rupees in the said village had been resumed for the road

Lands valued at Rs 200 in the village of Gollahalli in the Dandahalli Hobli was in the enjoyment of Hanumi

Krishnachar and the rest of
the village was being enjoyed by
Venkata Gundhmachar on condition
of performing the stipulated services
at the Brindavanam of Sri Sujña-
-hareyaswami at Sulthanpur.
Owing to some circumstances, and
on the representation of Venkata
Gundhmachar, Sri Sujña Kavya
Sarvabhauma Srinivasadasaryalu wanted it appro
to assign the full villages of
Ramagondanahalli and Gollahalli
for services at the two Brindavanams
at Sulthanpur separately.
With a view to fulfil this object,
valued at 4 to 6 varahas
the assessed piece of land in the
village
Ramagondanahalli was given
away to Hanumi Krishnachar
as service grant
to be enjoyed along with the rest
of the villagers, taking in exchange
for the same from

from the said Krishnachari

a piece of land in the Gollahalli Dodballapur Taluk, village and a piece of garden land in Bommanahalli in the Hosakote Taluk, and both written in Chikballi village Krishnarajapet Taluk. The whole village of Gollahalli seems to have been now assigned for the Brindavana at Sattalimanu and given among to Venkatarama Iyer. The piece of land given in exchange in the Bommagondanahalli village was valued at 46 varahas as reported to above the three pieces of lands taken by the matt in exchange, were valued at 46 varahas and Rs 200 —

From the above it appears that the whole village of Bommagondanahalli was not given

in exchange for the pieces of
lands, as ~~noted~~ shewn in the Government-
order of 1903.

The village of Gollamalli
was ordered to be restored
(vide Govt Ins no 2838-40 dated
7th February 1905.)

order: - No. 4202-30/27 3.08

It having been
ascertained from the
records received from
the Dy Commissioner
of the Tumkur District
... November 1902, that
the village of Lakkenahalli
in the Koratagere Sub-Taluk,
belonging to the late
Uttarodi Mutt, was
given away as a gift
by the Sakkarakanna Tumkur

in the year Rakshasha

Krishnaswamy, in exchange
for a piece of land in
the Gollahalli village
in the Dandenahalli
Taluk, and built a
witti in the Chikanahalli
village in the Krishna-
rajapet Taluk, the
Government observed
in their proceedings dated
above, that the alienation
by gift of the valuable
Dandenya Inam village
by the Commissioner
for an inadequate
consideration, was
unwarranted, and directed
its resumption and
management by Govt.
in the Revenue Department,
the alienation having
been

have ~~been~~ ordered to be dealt-

with in accordance

with clause II B ~~and~~

rule IV of the Government

of India notification

no 266 dated 17th November 1877.

But, from the documents

now produced by Hanmi

Jangamanchar, who

was in the enjoyment of

the village, it appears

that the village in question

was conferred by Damma

Durmingya, in favour of the Mant

1801, for services at the

admittedly.

Coronation of the

Sutgurdaswamingalu

~~but~~ also not so expressly stated

at the settlement; ~~and~~

but this intention was carried out

~~that~~ it was subsequently

~~given by the grantee~~ by a grant

Sri Satya Dharmaswami
made in favour of

year Rakthakshi (101 years
who had drawn
ago) the expired Condition
of the Partnership Agree-
- ment, Annexure,

at Santhimadam; and
that the grant was
two of
duly multiplied by the Swamis
of Sri Satya Dharma

Sri Satya Sankalpa
- Swamigalu in the
year Manmatha (7325
ago), and by Sri
Satya Kama Theertha

-Emanigaha in the year

Rukkhakkhi (about 42 years ago). The tenure of the grant has taken more of a condition trust for the extension of certain services which it was incumbent on the Chief to perform have an obvious base and of simple form under the Act of 1877.

The stipulated -Services at the Principal and Subordinate are

~~accordingly~~ stated to have been regularly performed by Hamri -Emanigaha and his descendants for the last ~~nearly~~ 101 years, in accordance with the terms of the grant.

The Government are willing to accept the petitioner's argument that the village is being enjoyed by his family as a -Service Inam. in trust for this matter.

2. ~~In accordance with~~ With reference to the observations made by Government in their

executed by the Satya

Vanna Thantha Swamigalu

in favour of one Varkatha

-gnanthuvathar in the

year Rakthakshi (1864-65). From this

document it is clear

that the whole village

of Ramanayanthanahalli

was not given

to Thomi Krishnathar

in exchange for 2 pieces

of land as observed in the

document above,

but only a piece of land

valued at 46 Varahas in

the Ramanayanthanahalli

village, which land was

reserved for the mutt,

was given in exchange (i)

for a piece of garden

land at Ramanahalli

in the Holenarasipur Taluk (ii) for help a writ in the Chikmahalli village in the Krishna-rajapet Taluk and (iii) for a piece of land in the Gollahalli village in the Gundlupet Taluk, the valuation of the said 3 pieces of land being estimated at- 46 varahas and 200 rupees -

The Government-Pleader consider that the exchange was for valid consideration

of the orders contained
in the proceedings noted
above, that the village
of Sammugam shall be

Government Proceedings No 2093 5, dated 23rd April 190[illegible], directing that the Inam village of Thammagondanahalli in the Koratagere Sub-Taluk, endowed to the Sri Uttaradi Matt be resumed and taken over under the direct management of Government in the Mazrai Department.

READ—

Petition No 3703, dated 26th February 190[illegible], from Haveri Jayaramachar, the enjoyer of the said village, praying for a review of the Government Order read above

---

No 4202-3, DATED BANGALORE 27TH MARCH 1906.

ORDER PASSED ON —It having been ascertained from the records received from the Deputy Commissioner of the Tumkur District in November 1902 that the village of Thammagondanahalli in the Koratagere Sub-Taluk, belonging to the Sri Uttaradi Matt, was given away as a gift by Sri Satyakama Theertha Sripalangalavaru in the year Raktakshi (1864-65) to one Haveri Krishnachar, in exchange for a piece of land in the Gollahalli village in the Dodballapur Taluk, and half a vritti in the Chitnahalli village, Krishnarajpete Taluk, the Government observed in their Proceedings read above, that the alienation by gift of the valuable Devadaya Inam village by the Swamigalu for an inadequate consideration, was unwarranted, and they directed its resumption and management by Government in the Mazrai Department, the alienation having been ordered to be dealt with in accordance with class II B, Rule IV of the Government of India Notification No 266, dated 17th November 1877. But, from the documents now produced by Haveri Jayaramachar, who was in the enjoyment of the village, it appears that the village in question was confirmed by Dewan Purnaiya in favor of the Matt in the year 1801 admittedly for services at the Brindavana of the Sri Satya Vara Swamigalu at Santebidnur although not so expressly stated, that this intention was carried out subsequently by a grant made in favor of one Haveri Swamirayachar in the year Raktakshi (101 years ago) by Sri Satya Dharma Swamigalavaru, who laid down the express condition of the grantee performing Abhisheka, Alankara Puja, etc., to the Sri Satya Vara Swamis Brindavana at Santebidnur; and that the grant was repeated and ratified by two of the successors of Sri Satya Dharma Swamigalu, *viz.*, by Sri Satya Sankalpa Swamigalu in the year Nandana (73 years ago) and by Sri Satya Kama Theertha Swamigalu in the year Raktakshi about 42 years ago. The tenure of the grant partakes more of a conditional trust for the execution of certain services which it was incumbent on the Matt to perform than an alienation pure and simple coming under the Notification of 1877. The stipulated services at the Brindavana at Santebidnur are stated to have been regularly performed by Haveri Swamirayachar and his descendants for the past 101 years, in accordance with the terms of the grant. The Government are therefore willing to accept the petitioner's argument that the village is being enjoyed by his family as a service Inam in trust for the Matt.

2. With reference to the observation made by Government in their Proceedings read above, that the village of Thammagondanahalli was given away by Sri Satya Kama Theertha Swamigalu in exchange for a piece of land in the Gollahalli village in the Dodballapur Taluk, and half a vritti in the Chitnahalli village in the Krishnarajpete Taluk, and that there was no comparison between the Inam village given and the lands received in exchange therefor for the Matt, the petitioner Jayaramachar has since produced an authenticated copy of a document executed by Sri Satya Kama Theertha Swamigalu in favor of one Venkata Madhwachar in the year Raktakshi (1864-65). From this document it is clear that the whole village of Thammagondanahalli was not given to Haveri Krishnachar in exchange for two pieces of land as observed in the above, but that only a piece of land valued at 46 Varahas in the Thammagondanahalli village, which had been reserved for the Matt, was given in ex-

(ii) for half a vritti in the Chitnahalli village in the Krishnarajpete Taluk and (iii) for a piece of land in the Gollahalli village in the Dodballapur Taluk, the valuation of the said 3 pieces of land being estimated at 46 Varahas and Rs 200 The Government therefore consider that the exchange was for valid consideration

3. In these circumstances the Government are pleased to direct, in supersession of the orders contained in the Proceedings read above, that the village of Thammagondanahalli be restored to the petitioner Haveri Jayaramachar, on condition of his performing as usual the stipulated services at the Sri Satya Vira Swami's Brindavana at Santebidnur, regular accounts being maintained therefor.

4 It is to be regretted that the documents now produced by the petitioner Jayaramachar were not before the Government when they passed their order of the 23rd April 1903, cited above.
